Pootatuck Yacht Club is a hands-on club. Maintaining the club's assets and assisting in hosting various club sponsored events requires the member's participation. Social Members are obligated to dedicate four (4) hours a year to work and club related activities or pay a work assessment of \$75/hr for the number of unused hours by the 15th of October each year. Be sure to record your work hours in the workbook located within the clubhouse and have those hours signed off on by an officer.

We also encourage social members to get involved and volunteer their time and talent for the betterment of the Club. It is a wonderful way to meet the members and enjoy all the club has to offer. A schedule of some planned activities for the ensuing year is outlined in your membership booklet.

You will be receiving an email from event chairmen's and/or flag officers noticing work and event schedules. Please respond with your intention to participate.

Please indicate by selecting a box below which activity you may have an interest in participating. It can be anything from working on the docks and yard to decorating the club, planting flowers or helping host events.
